THE ROLE – PRODUCTION SUPERVISOR – ST. JOHN'S

Browning Harvey Ltd. has a full time, permanent opportunity for the position of Production Supervisor in the St. John's region.

This position requires the successful candidate to meet company performance benchmarks related to production goals by the following:

- Foster and support a safe work environment throughout the production operation.
- Execution of daily production schedule to ensure effective product supply for customers.
- Maintain quality control and food safety standards.
- Improvement of manufacturing reliability, production system capacity and operational stability.
- Daily supervision of department staff within facility.
- Understanding of all production processes, functions and limitations and the impact on manufacturing reliability.
- Implement and manage manufacturing improvement plans and projects.
- Effectively manage time to maximize business results.

THE CANDIDATE

The ideal candidate will have the following:

- Technical degree in Engineering with several years' related experience preferred.
- Experience with Lean manufacturing techniques
- Experience in safety management, TDG/IMDG, WHIMIS and environmental response.
- Strong organizational and time management skills.
- Solid problem-solving skills.
- Developed analytical skills
- Effective team management skills and ability to meet deadlines.
- Strong people skills including effective communication skills.
- Aptitude for computers and other technology.
- Assertive and proactive approach to execution of responsibilities.
- Excellent verbal, written, and interpersonal skills.
- Ability to work independently and in a team environment.

The ideal candidate will be:

- Results-focused.
- Capable to work in a multitask environment.
- Capable to work effectively under stressful situations.
- Able to work as a member of the Browning Harvey Production team.
- Able to provide professional and courteous service in any scenario.
- Able to understand and work with diverse groups of people and clients.

If this role sounds like the right fit for you, please send a resume by May 31st, 2023 to:
